draw  
game

## HOW THE LOTTERY WORKS

Our lottery is a membership lottery costing £2 per number per week. When you join you are allocated a unique lottery number which will then be entered into our Friday draws each week that your number is in credit. If your number should go out of credit it just won't go into the draw that week. This means that you will never owe any money, we'll just send you a reminder so that you can start playing again as soon as possible. When you win we'll let you know so you don't even have to check your numbers. If you want to, they are on our website and published in the Rotherham Record.

Each Friday your Lottery number is entered into our 2 prize draws.

**FIRST CHANCE-** Game 1 has a Guaranteed 1st prize of £1000, 1x £100, 2x£50 and 30 x £10 prizes which are won every week. Our 2nd prize of £500 is a rollover prize which if not won can reach a maximum jackpot of £10,000.

**SECOND CHANCE-** Game 2 has 1x£1,000 prize which is bonus rollover and if not won can reach a massive maximum jackpot of £20,000.
